

## 2016 PAN PACIFIC CONFERENCE of the Technical Associations of the Pulp and Paper Industry

**Date: October 25 – 28 (Tuesday – Friday), 2016**

**Venu : Seoul National University, SEOUL, KOREA**

Pan Pacific Conference has been organized biannually by the member of the Technical Associations of the Pulp and Paper Industry from Pacific Rim countries. The 2016 conference will be organized by Korea TAPPI in Seoul, Korea.

### CALL FOR PAPERS

The conference will covers all areas of pulp, paper and allied industries, i.e., fiber properties, pulping & papermaking processes and sciences, nanostructured biomaterials, bioenergy and biochemical, etc. Oral and poster sessions are provided. The session topics will include:

- Advances in Wood Chemistry, Pulping and Bleaching
- Lignocellulose-based Bioenergy and Biochemicals
- Advanced Technology of Paper and Board Making, Coating, Converting and Printing
- Paper chemistry and physics
- Recycling Technologies
- Novel, Functional nano- and bio-materials
- Preservation and conservation of paper
- Others

Scientists and engineers who want to present papers in the 2016 Pan Pacific Conference are cordially invited to submit an abstract (max. 300 words) by e-mail to [ppc2016@ktappi.or.kr](mailto:ppc2016@ktappi.or.kr) before November 30, 2015. Authors will be notified of acceptance of papers around the end of January, 2016.

**For Further Information on the contribution of paper and the Conference in general, please contact us via email at [ppc2016@ktappi.or.kr](mailto:ppc2016@ktappi.or.kr).**

**Organized by KTAPPI**

**With Co-operation of**
